

Seminar On SEMINAR TITLE

Author Name

29 September 2023

GAUHATI
UNIVERSITY

Presentation Outline

1 CHAPTER 1

► CHAPTER 1

► CHAPTER 2

Chapter 1

1. Section 1
2. Section 2
3. Section 3

GAUHATI
UNIVERSITY

What?

1 CHAPTER 1

A linear classifier which seeks to find a separating plane which is at a maximum distance from both feature sets.

Presentation Outline

2 CHAPTER 2

► CHAPTER 1

► CHAPTER 2

Chapter 2

- Section 1
- Section 2
- Section 3

GAUHATI
UNIVERSITY

AA

2 CHAPTER 2

TITLE

2 CHAPTER 2

$$\mathbf{S} = \mathbf{W} \cdot \mathbf{X}$$

So, for any ω_j in ω

$$\omega_j \cdot x_i + \omega_0 = S_j$$

This means that for the input vector X_i , a score component S_j gives the score of ω_j .
